## Our Policies:

### Season and Hours of Operation:

The North Rim Parkway (State Route 67) to the North Rim of the Grand Canyon does not open in the spring until May 15, regardless of weather and roadway conditions. Prior to May 15, you cannot drive the 45 miles to the North Rim by vehicle.

Summer phone number May 14 to October 14 928-643-7804

Winter phone number October thru May 928-635-5251

### In season:

The campground opens at noon on May 14 and closes at 10 am on October 15.

Check in time is 12 noon — check out time is 10 am.

Office hours at the campground are 8 am to 8 pm

For late arrivals we post a map and directions to your site beside the office door.

Note: Arizona does NOT observe Daylight Saving Time, so in season we're 3 hours behind Eastern Time and the same as Pacific Time. Utah is one hour ahead!

### Booking Sites:

Please note that we Guarantee Site TYPE, not NUMBERS. When booking on-line, choose a site that is as close as possible to the length of just your RV. Additional parking is available for tow vehicles, etc. The price is for 1-4 people, there is an extra person charge of \$6.00 each. Maxim. of 6 people per RV site.

### Cancellations:

The first night stay is non-refundable and is due at the time of making your reservation. Additional nights are due upon arrival and are non-refundable. If you need to change your arrival date please call 3 days (72 hours) prior to your arrival date. Any changes must be the same calendar year. May 14 to October 14.

#### Quiet time and generators:

Our quiet time is considered from 9:00 PM to 6:00 AM to give all of our campers a chance to enjoy the peace and tranquility of our beautiful forest. We like to keep the campground quiet and restful at all times, and we ask for your help and cooperation in this important matter. Generators are not allowed to be used at any time in the Camper Village.

#### Parking Assistance:

As a courtesy, our hosts may give parking assistance, but the campground staff and management will not be responsible for any damage resulting from the guest parking their rigs- the driver is responsible for parking their rig.

#### Speed Limit:

For the safety of our guests and control of dust and noise, the maximum vehicle speed is 5 miles per hour within our campground at all times.

#### ATV/Quads:

To control dust and noise, the use of ATV's and quads within the campground is prohibited other than driving the 5 mph speed limit to and from the entrance gate. Vehicles must adhere to the speed limit when leaving and entering the campground. After dark, if you are driving back on one of the forest service roads next to the campground, please be considerate of other guests, and drive slowly, another reason for caution are the cattle, mule deer, elk and bison that can be seen in the area.

#### Waste Management:

Please place any trash or garbage you wish to leave in one of the trash cans provided. Clean up after your pet.

Ashes from wood or charcoal fires are to be placed in the metal fire rings; we will collect them.

Per Coconino County Health Dept. regulations: All sewer hookups must be off the ground and use sewer hose supports. Supports are available for loan if you do not have one.

#### Pets:

Pets are welcome here! Owners are responsible for their pets at all times. Pets must be on leashes at all times-maximum length 8 feet. Clean up after your pet. Pets must be kept quiet. Do not leave your pet unattended. Pets are not allowed in either cabin or the office. Pet owners will be held responsible for any nuisance created by their animal, and violations of these policies will be grounds for asking guests to leave.

#### Campfires and Cooking Fires:

Campfires may only be built in the designated metal fire rings. Full hookup RV sites do not have fire rings, but may use those in the picnic area. Fires must be kept small at all times! Any charcoal or wood fire must be in a metal container raised from the ground. Grills are available - please ask at the office. During fire season, a ban on campfires may be imposed.

#### Firewood:

Bringing in forest wood gathered outside the campground is prohibited by the National Forest Service. Therefore we sell firewood at our office. Wood must fit inside the fire ring.

#### Water:

There is a natural scarcity of water on the plateau. Outside water faucet is to supply guests with drinking and cooking water only. Please, no washing of pets, vehicles or clothing with this water. We reserve the right to levy a charge (per vehicle) for any vehicle or trailer washing, or any prohibited use of water as stated above. Filling the holding tank is also prohibited.

#### Laundry:

Laundry facilities have been installed for the convenience of our guests. Due to a natural scarcity of water on the Kaibab Plateau please use responsibly. No clotheslines are allowed in our village. Kaibab Camper Village will not be responsible for damage or loss of any items when using the laundry facilities. Laundry hours are 7 AM- 7PM. Wash \$2- Dry \$1.50 per load. Change is available at the office.

#### Showers:

Shower facilities (open 24 hours a day) have been installed for the convenience of our guests. Due to a natural scarcity of water on the Kaibab Plateau, please use responsibly. The showers require \$2.25 for 5 minutes of shower time. (9 quarters) Change is available at the office.

#### Closed season:

The campground is closed from 10 am on October 15 to 12 noon on May 14. Managed by C&E Enterprises, LLC, Williams Arizona. C&E Enterprises will begin taking reservations for the current year in mid- January.
